

**CITY OF THE COLONY
PRESS RELEASE**

DATED: 10/10/06

Below is a summary of the requirements for Phase 1 Voluntary Water Rationing as enacted on 10/10/06 by the City Manager. The rationing is being implemented because Dallas Water Utilities' reservoirs are 35% depleted. If DWU's reservoirs become 45% depleted, The Colony will move to Phase 2 Mandatory Water Rationing.

Phase 1 Voluntary Water Rationing

- Outdoor water use is encouraged to follow the schedule below; and
- No new pool permits will be issued.

Water Use Schedule

Last Digit of Address

Allowed Irrigation Dates

Even number

Monday, Wednesday, Friday

Odd number

Tuesday, Thursday, Saturday

No watering on Sundays

Outdoor uses consist of washing vehicles, boats and trailers, landscape sprinkler systems and irrigation, and recreational use of sprinklers. All commercial accounts and accounts servicing more than one address such as office buildings and multifamily complexes shall use the street number indicated on the service building. This restriction applies to public facilities including recreation fields, parks and schools.
